when she was confronted with her own devastating pain and loss that Nicole realized her current way of life was failing her. She then discovered that sometimes God's rescue looks like prying our fingers off what we think we want so that we can receive what we truly need. And often, on the far side of pain we don't prefer, we find transformation we would not trade. In *From Lost to Found*, Nicole shares her story as she helps us name what we fear losing most, identify how our reactive behaviors are failing us, discover what joy we can find in letting go, and move forward in the freedom God has for us. God is

writing a story of redemption in your life too. Find out for yourself that sometimes the greatest joy is found when we are drained of all misplaced hope and shallow identities. In the midst of pain or transition, discover a surprising path to healing as you lose your grip on comfort and control—and fall right into God's transformative grace.
